inspire

is one of the innovative programs
developed by the DST

The basic objectives of INSPIRE are to attract talented young students to undertake Science studies at an early stage and to help build the required critical human research & development base of our Nation. It is a programme with a long term foresight. For attending INSPIRE Science Camp, the students need not pay any money either to the school or the organizer. Expenditure towards travel (to and fro), accommodation, food, etc., for all the students attending the science camp is taken care of by DST-INSPIRE program through respective camp organizers.
